League Members Update

Dear Club Secretary and Club Welfare Officer

Re: Change to CRB Form as of 1st July 2010

We are writing to all Clubs who affiliated for last season (2009 - 2010) to ensure that no one misses out on this important message as Clubs go though the affiliation process for the forthcoming season.

The Government is carrying out a review of the Vetting and Barring Scheme (VBS), however this does not affect the existing FA requirements for CRB checks, which continue to apply. CRB checks are a regulatory requirement in football, for those who are working in roles with children e.g. coaches, managers, welfare officers, referees, first aiders and people who drive on behalf of the club should continue. The priority is for those who have not yet had a check to complete one.

As of 1st July all affiliated Clubs with youth teams will have to use a new CRB Form for any checks that are applied for. The FA will be sending out via the Club Welfare Officer (CWO), a comprehensive Pack explaining how to use the new forms as well as the new CRB Forms. This will go to all Clubs with youth teams that have affiliated for the 2010 - 2011 Season.

This Pack will contain: Letter to CWO, Applicant Guidance Notes, Verifiers Guidance Notes, Identification Document Form, List of members submitting application forms, x2 copies of the 'new' CRB application form (purple), Continuation sheet

If you have not yet returned your affiliation form to your County FA then, you will not receive this Pack. **Only when you have affiliated by meeting the affiliation criteria (as detailed below) will this pack be sent to the CWO**.

Affiliation requirements for 2010 - 2011: A CWO who has an accepted Enhanced FA CRB and attended a Safeguarding Children Workshop and a Welfare Officer Workshop.

It is possible that you have completed your affiliation form but your CFA is still entering this data, as such you will receive a Pack in the second mail out. In the interim please ensure you **do not send any CRB applications to TMG CRB on the white CRB Forms after 30th June 2010, as they will not be accepted and the applicant will have to complete another form.**

Please note that the cost for the administration of the CRB checks is now £15. This price includes VAT at the current rate and therefore could be subject to change. Volunteer checks will therefore cost £15 and those who are paid will cost £51. The FA does not make a profit from the CRB process; the £15 covers the current administration costs of processing the CRB check and is comparable to the costs charged by other organisations.

We are also working towards a new electronic application process which should reduce the cost of an application to around £10. We will let you know as soon as this service is available, hopefully by the end of 2010.

The first mail out will be sent out to CWO's whose clubs are already affiliated, during the week beginning 28th June 2010. If you have any enquires about this process, and then please contact your County FA Welfare Officer in the first instance - thank you.

If you have not done so we would encourage you to complete your County FA affiliation form and return this ASAP.

Further information on The FA's position statement about ISA registration and Enhanced CRB checks for football can be found on www.TheFA.com/footballsafe.
